War prisoners and persons missing as a result of war in Afghanistan

The General Assembly calls upon the Governments of the Russian Federation and the Islamic State of Afghanistan to enter into negotiations and consultations for the purpose of solving the humanitarian question of war prisoners and missing persons on both sides, on the basis of the joint statement of the Russian Federation and the Islamic State of Afghanistan issued on 14 May 1992, in which both sides expressed their readiness to do everything necessary for the earliest and unconditional release of all the war prisoners and to seek the whereabouts of missing persons, to give them a chance to return to their home country without any obstruction.
